Plan for the buyback and disposal of ordinary shares of the Company

The Shareholder's meeting of Aeffe SpA has also approved today a plan for the buyback and disposal of ordinary shares of the Company. More in detail, the plan mentioned above authorizes the Board of Directors to purchase, in one or more times, on a revolving basis, for a maximum period of 18 months, ordinary shares of the Company up to a maximum of 10% of its share capital, and to dispose of them without time restrictions. The authorization provides that the share purchase price cannot be either higher or lower 10% compared with the reference price recorded on the stock exchange session preceding each purchase transaction. The aim of the operation is to execute investments consistent with the Company's strategy and to execute M&A deals through share exchange or any other special financial transactions that involve allocation or the availability of such shares. In addition, the plan approved today by the shareholders' meeting allows Aeffe to accomplish activities, in compliance with the current regulations, intended to stabilize the company's share price in case of unusual stock market conditions, by facilitating the trading at times of reduced liquidity and supporting its regular flow. It is also specified that, without prejudice to the requirements of mandatory legislation, the Board of Directors will in all cases be entitled not to proceed, in whole or in part, with the purchase and/or use treasury shares, should it believe at any time that the reasons for which this would be appropriate pursuant to the shareholders' authorization do not apply.
