EXTRAORDINARY SESSION

POINT 1: PROPOSED AMENDMENTS TO CERTAIN ARTICLES OF ASSOCIATION.

Reasons for the proposed amendments

Shareholders,

You are called in extraordinary session to discuss and resolve on (i) the proposed amendment of certain Articles of Association of Aeffe S.p.A. ("**Aeffe**" or "**the Company**") that need to be updated because obsolete no longer applied in practice, and, taking the occasion, to specify some provisions, replacing specific regulatory references with a mobile reference to the provisions in force time to time (ii) the proposed increase in the minimum and maximum number of members of the Board of Directors. In part, this increase is proposed consequent to approval by the Board of Directors of the planned absorptions by incorporation - with regard to which you are called upon to resolve on today - of Moschino S.p.A. and Aeffe Retail S.p.A., which are both subsidiary companies.

Prompted by the Control, Risks and Sustainability Committee and Compensation Committee and consistent with their the recommendations on leadership succession , the Board of Directors - having also examined the Board Evaluation presented in March 2023 by Carter & Benson, the independent firm that made the recommendations which were adopted and proposed by the Committees - has determined that it would be appropriate, given absorption of the above two subsidiaries and the planned absorption of the remaining Italian companies, to appoint to the Board at least one additional director with experience of production and the industrial activities of the Group.

Accordingly, in order to render even more complete and structured the skill sets represented on the Board and prepare for possible succession among the executive directors with specific production and industrial know-how, the Board has decided to propose an increase in the minimum and maximum number of its members.

Proposed amendments to the Articles of Association of Aeffe S.p.A.

In view of the matters described in the previous section, the following amendments to the Articles of Association will be presented at the Shareholders' Meeting for approval.

Article 2.2

It is proposed, for simplification purposes and in line with practice, that the Board may not only establish, but also transfer and close, secondary offices, branches, offices, warehouses, both in Italy and abroad.

Article 6

It is proposed to allow, in compliance with the ways and forms established by law, the assignment of profits and/or profit reserves to employees of the Company or its subsidiaries, issuing shares pursuant to the first paragraph of the article 2349 code civ.; as a matter of fact, this possibility is admitted by the civil code only where in the Articles of Association is present a statutory clause to that effect.

Article 10.2

It is proposed, in line with the practice and as mere clarification, to specify that the notice of shareholders' meeting shall be published on the Company's website, as well as through the other methods envisaged by current legislation.

Article 11

Concerning the legitimacy to attend the Shareholders' meeting and to exercise the right to vote, for simplification purposes and in line with best practice, it is proposed to replace the current provision with a mobile reference to the law provisions in force time to time.

Furthermore, having regard for the regulations that, from 2020 to date, have enabled the Shareholders' Meeting to be held with participation only via the Designated Representative, and taking due note of the draft law presented to the Council of Ministers on 11th April 2023 regarding "Actions to support the competitiveness of capital", it is considered appropriate to propose adding the following text to this article, further explaining that "*the Company may designate a designated representative for each Shareholders' Meeting*". If permitted by law, the participation of shareholders exclusively through the designated representative may also be envisaged.

Article 12

Having regard for the regulations that, from 2020 to date, have enabled the Shareholders' Meeting to be held on a virtual basis as well as the relative principles issued by Milan's Council of Notaries, it is considered appropriate to propose that, if so established in the notice of Shareholders' meeting, the latter could be held exclusively on a virtual basis with no indication of a physical place of the meeting.

Furthermore, it is proposed to delete the statutory reference to the mandatory co-presence of President and Secretary at the meetings.

Finally, in line with the practice and for better clarity, it is proposed to specify that the Notary called to be the Secretary of the Shareholders' meeting is chosen by the President of the Meeting.

Articles 14 and 15

Given the reasons presented above for increasing the size of the Board of Directors, it is considered appropriate to propose amending the first paragraph of Article 14 as follows: "*The Company is administered by a Board of Directors composed of a variable number of members, between nine and eleven, who need not be shareholders*".

Courtesy translation. In any case of discrepancy, the Italian text prevails.

Furthermore, it is proposed to replace the reference to the composition and methods of appointment of the Board of Directors with a reference to the legislative, regulatory and self-discipline provisions in force from time to time, with particular reference to the necessary requirements regarding independence and gender balance. In the same view, it is proposed to specify certain mechanisms connected to the list voting system and to the possible replacement of directors, in order to ensure that the Articles of Association are constantly in line with any future amendments to the relevant provisions, as well as consistent with best practices.

Article 17.2

The amendment relates to the way in which meetings of the Board of Directors are called. The current wording envisages sending notices "by fax, letter or telegram", which are all obsolete and not more applied/inapplicable methods. Accordingly, it is considered appropriate to propose amending the first two paragraphs of article 17.2 as follows: *"The notice of the Board Meeting is sent by e-mail or certified e-mail to the address communicated by each director in office and each serving statutory auditor on acceptance of appointment. Notice of the Board Meeting must be sent to each director and serving statutory auditor at least five calendar days prior to the date fixed for the meeting; in urgent cases, this notice period may be reduced to 24 hours"*.

Finally, also for the Board of Directors meetings, as indicated with reference to art. 14, it is proposed to allow that the meetings could be held exclusively on a virtual basis, deleting the provision concerning the mandatory co-presence of President and Secretary at the meeting.

Article 18

Given that the Board of Directors may be composed of an even number of directors and in order to avoid doubt and/or stalemates in the adoption of resolutions, it is proposed to state that, in the event of a tie, the vote cast by the Chairman of the Board of Directors (appointed at the Shareholders' Meeting) shall prevail. Accordingly, it is considered appropriate to propose adding the following text to article 18: *"In the event of a tie, the vote cast by the Chairman of the Board of Directors or whoever takes his place shall prevail"*.

Article 19.3

For precision purposes, it is proposed to expressly maintain the possibility to appointment of general manager by the Shareholders' Meeting pursuant to art. 2396 of the civil code.

Article 22

Also with reference to the composition, appointment mechanism and possible replacement of the Board of Statutory Auditors, it is proposed to insert references to the legislative, regulatory and self-regulatory provisions in force from time to time and to specify some mechanisms, in order to ensure that the Articles of Association are constantly in line with any future changes to the relevant provisions, as well as consistent with best practice.

Article 23.5

Also for the meetings of the Board of Statutory Auditors, as indicated with reference to Article 14, it is proposed to allow that the meetings could be held exclusively on a virtual basis, deleting the provision concerning the mandatory co-presence of President and Secretary at the meeting.

Article 25

In order to improve the transparency and completeness of the provisions governing the role, duties and remuneration of the Executive responsible for preparing the company's accounting documentation, it is considered appropriate to amend article 25.1 as follows: *"where the Responsible Executive is an employee or director of the Company, the remuneration for that role is deemed to be already included in that recognized to the employee or director"*.

by shareholders with the greatest total equity interest or, failing this, by the largest number of shareholders, will be elected.

If the composition of the Board of Directors does not comply with the gender balance criterion then, having regard for the order of listing, the candidate from the most represented gender elected last from the list that obtained the largest number of votes (the "Majority List") shall be replaced, in consecutive numerical order, by the first candidate not elected from that list. Application of this replacement procedure will continue until the composition of the Board of Directors complies with the regulations in force at the time concerning gender balance.

If using the list voting mechanism the number of candidates is lower than the minimum number of Board directors envisaged in the Articles of association, or if using the list voting mechanism the required number of candidates from the least represented gender is not reached, the Board of Directors shall be elected and supplemented at the Shareholders' Meeting, applying the majorities envisaged by law.

The directors to be elected who must have the independence requirements prescribed by the present by-laws will be drawn from the Majority List. If, at the end of the vote, is not achieved a sufficient number of directors having the independence requirements, the candidate who is not in possess of these requirements, and is indicated as the last in progressive order of the Majority List, will be excluded and will be replaced by the next candidate having the independence requirements taken from the same list as the excluded candidate or, if this is not possible, from the list that is second in terms of number of votes obtained. This procedure, if necessary, will be repeated until the number of independent directors to be elected has been completed.

In case the modalities above indicated do not reach a composition of the Board of Directors ~~complying with does not comply with~~ the gender balance criterion then, having regard for the order of listing, the candidate from the most represented gender elected last from ~~the list that obtained the largest number of votes~~ (the "Majority List") shall be replaced, in consecutive numerical order, by the first candidate ~~of the less represented gender~~ not elected from that list. Application of this replacement procedure will continue until the composition of the Board of Directors complies with the regulations in force at the time concerning gender balance.

If using the list voting mechanism the number of candidates is lower than the minimum number of Board directors envisaged in the Articles of association, or if using the list voting mechanism the required number of candidates from the least represented gender is not reached, the Board of Directors shall be elected and supplemented at the Shareholders' Meeting, applying the majorities envisaged by law.

RIGHT TO WITHDRAW

It should be noted that the proposed amendments to the Articles of Association as above illustrated above, where approved, in accordance with the provisions of article 9 of the Company's Articles of Association, will not grant the right of withdrawal to shareholders who do not have to contribute to the relative approval, not integrating the details of any of the cases of withdrawal envisaged by mandatory provisions of law.

In the light of the above, the following proposed resolution is presented to the Shareholders:

"The Extraordinary Meeting of the Shareholders of Aeffe S.p.A., held with a voting quorum today, 8th June 2023, having evaluated the Board of Directors' illustrative report,

resolves

- to modify articles 2.2, 6, 10.2, 11, 12, 14, 15, 17, 18, 19.3, 22, 23.5, 25 of the Articles of Association as indicated in the right-hand column of the table with the text opposite shown in the illustrative report prepared by the Board of Directors;
- to appoint the President Massimo Ferretti and the director Simone Badioli, also severally and with the right to sub-delegate, for the execution of all the obligations and formalities in any way connected or consequent to this resolution and to make to the latter all the modifications, additions and/or deletions that may be necessary for the purposes of registration in the Company Register."

POINTS 2 AND 3: PROPOSED ABSORPTIONS OF MOSCHINO S.P.A. AND AEFFE RETAIL S.P.A.

Shareholders,

As disclosed by press release on 29th March 2023, on that date the Board of Directors approved and then filed with the Rimini Companies Register the proposal for the absorption by Aeffe of Moschino S.p.A. ("**Moschino**") and the proposal for the absorption by Aeffe of Aeffe Retail S.p.A. ("**Aeffe Retail**"), both wholly-owned subsidiaries. Both operations are part of a corporate rationalization and reorganization process, commenced in 2022 with the absorption of Velmar S.p.A., intended to enhance the operational efficiency and coordination of Group activities. In particular, the corporate, accounting, tax and administrative costs of the subsidiaries to be merged will be saved, while also reducing the number of decision-making levels and rationalizing the release of synergies within the Group.

The simplifications envisaged in art. 2505 of the Civil Code are applicable to both mergers. In addition, since the mergers involve the absorption of wholly-owned subsidiaries, the share capital of the absorbing company will not be increased. The ownership structure of the Company will be unaffected.

The effect of the merger operations will be, respectively: (i) to cancel the investment held by Aeffe in Moschino, amounting to its entire share capital, on absorption by the Company of the net assets of Moschino; (ii) to cancel the investment held by Aeffe in Aeffe Retail, amounting to its entire share capital, on absorption by the Company of the net assets of Aeffe Retail. Therefore, no share exchange ratio nor cash balance is envisaged.

On adoption of the merger resolutions, the Articles of Association of Aeffe S.p.A., the absorbing company, will reflect - if authorized at the Shareholders' Meeting - the amendments indicated in point 1 of this Report on agenda items (as above underlined, the modification will not grant any right of withdrawal). Accordingly, following the mergers, the Articles of Association of Aeffe S.p.A., the absorbing company, will differ from those attached to the proposed mergers. For this reason, it is proposed that the merger resolutions be adopted at a Shareholders' Meeting held in extraordinary session.

Courtesy translation. In any case of discrepancy, the Italian text prevails.

The mergers do not cause any change in the corporate object of the Company nor the exclusion of Aeffe from listing; therefore, there aren't the conditions for exercising the right of withdrawal pursuant to art. 2437 nor of the art. 2437-quinquies of the Civil Code.

The practical effects of the mergers will commence, by law, when the final registration of the merger deed with the Rimini Companies Register has been completed, or on such later date as may be specified in the merger deeds, the signature of which can reasonably be expected to take place this year, with the clarification that the first absorption will relate to Moschino, while the absorption of Aeffe Retail will be completed later, but still in the current year.

Pursuant to art. 172, para. 9, TUIR (Consolidated Income Tax Law), the effects of the Merger for income tax purposes also commence from the first day of the financial year of the Absorbing Company in progress when the last registration required by art. 2504-*bis* of the Civil Code is completed.

It is underlined that there are no shareholder agreements between the shareholders of Aeffe nor between the shareholders of Moschino or Aeffe Retail.

Both operations represent "related-party transactions" pursuant to Consob Regulation no. 17221/2010 as amended (the "**RPT Regulation**") and the Procedure for transactions with related parties adopted by Aeffe (the "**RPT Procedure**"), since both Moschino and Aeffe Retail are wholly-owned subsidiaries of Aeffe. Nevertheless, the operations are exempt from application of the RPT Procedure, pursuant to art. 3.3.d) of that document, since they are arranged by the Company with subsidiaries in which other related parties of the Company do not have significant interests, pursuant to art. 14 of the RPT Regulation.

Pursuant to art. 3 of Consob Decision no. 18079 dated 20th January 2012, the Company has made the exception allowed in arts. 70, para. 8, and 71, para. 1-*bis*, of Consob Regulation no. 11971/99 (as amended) with regard to making documentation about mergers, carve-outs, capital increases, acquisitions and disposals available to the public at the registered office.

All the merger documentation required under current regulations was available to the public by the legal deadline at the registered office, on the website www.aeffe.com and on the authorized storage platform www.emarketstorage.com, where it can be examined.

In the light of the above, it is proposed that the Straordinary Meeting of the Shareholders of Aeffe S.p.A. approves the merger proposition by absorption of Moschino in Aeffe S.p.A. and approves the merger proposition by absorption of Aeffe Retail in Aeffe S.p.A.
